

## Holy Moly Prayer Cards for Parents

The edifying messages in the Motherwise Holy Moly Cards for Parents cards can be carried in a pocket, wallet or stuck to the refrigerator with magnets so they will be in plain view of the intended party. Print an extra copy and share it with your friends who have teens. Enjoy!

Look for the card game coming soon. A full deck required in order to play.

### Easy printing and assembly directions:

Print this on regular paper in landscape setting (Use card stock if you want it to last more than a day).

Cut out on the dotted lines.

Fold in half, *vertically*.

Glue the left and right (front and back) sections together. Tape is okay too.

Read, enjoy, share with a friend.

### Amazing Space

Amazing space, sweet echoes sound,  
Through your room, once full of junk.  
It once was full, but now you're gone,  
Was crying, but now I see.

Through many piles of clothes and crap,  
That posed a danger clear,  
I no longer need, to step carefully,  
Over what you used to wear.

What looked like it took 10,000 years,  
To collect and gather dust,  
Took way less days, to make into office space,  
And set the closet free.

Amazing space, how sweet I've found,  
When it's clean and poster free.  
It once was cluttered, but since you've gone,  
Was depressed, but now I see.
